SUBJECT: SPAIN INFORMED OF USG POSTURE ON IRAN

REF: SECSTATE 120288

11. (SBU) In advance of the November 26-27 meeting of the IAEA Board of Governors, Post conveyed Reftel points on the USG's posture on Iran and next steps to Spain's Ministry of Foreign Affairs, whose officials had no substantive reaction. Post emphasized that the USG will be in close contact with Spain on this issue, given its seat on the IAEA Board of Governors and its impending assumption of the rotating EU Presidency. The points were conveyed to Alberto Ucelay, sub-Director General for the Near East, and Carlos Torres, Counselor for Nuclear Non-Proliferation and Disarmament within the MFA's DG for Strategic Affairs and Terrorism.
